OBJECTIVES

- Support teen girls and women who have experienced sexual violence.
- Raise public awareness about the social issue of sexual violence.
- Promote egalitarian relationships and denounce violence against women.

PHILOSOPHY

- Sexual violence is an act of **abuse of power**, not a loss of control.
- Sexual violence is a **societal issue** that keeps women subjected to unequal power relationships.
- Some women are likely to experience **even more sexual violence** due to their age, ethnic origin, physical and financial conditions and other forms of discrimination.

CALACS L'Ancrage is an autonomous feminist community action organization that works to end sexual violence, including sexual exploitation.
